Source: 2006-2007 CSRDE Retention Survey

Revisions:

Starting Fall 1997 the IPEDS definition is used (which means includes summer first-time, full-time freshmen in the cohort)

Starting Fall 1996 deleted students who had received Associate degrees. Survey is only for Bachelor degrees.

Final cohort represents allowable exclusions (military, religious, death) and is only derived at the end of the six-year time frame.
