ATTENTION WAL-MART SHOPPERS

- Wal-Mart has changed their payment policy. Starting November 1, 2000 the Wal-Mart Stores will no longer accept purchase orders of any kind. Payment is due upon receipt of merchandise. They will only accept the following forms of payment "credit card, cash or check". Fortunately the Business Office is currently working on a purchase Procurement Card that will assist every department with their small purchases under \$500.00. Until the Procurement Cards are available, departments are requested to purchase from other sources that do accept purchase orders. **PLEASE**

REMEMBER - A purchase order or a mini-purchase order is required for all University purchases except dues, subscriptions, and registrations.

ATTENTION ALL FACULTY - All faculty please inform your students registering for EDF 222, Structured Observations of Teaching, Spring semester, 2001, that they will be required to serve as observers/apprentices in area public schools four hours per week for ten weeks beginning as early as the fifth week of the semester. This practicum is in addition to regular class attendance. Limited spaces in Portales will require many students to travel to other school districts. This may be convenient for those who live in other districts but may be inconvenient for those who live in Portales. They must plan their class and work schedules to allow for the four hours per week requirement at the rate of two two-hour visits or one four-hour visit from week five through the end of the semester. Questions may be directed to Mr. Bill Gaedke, EDF 222 instructor, ED 148, Ext. 2784, email billy.gaedke@enmu.edu." Thank you!

AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS - The ENMU chapter of AAUP cordially invites faculty to become members.
