Clinical study in medical technology (32 or 52 hours):
Student must submit a formal application for admission to approved school of medical technology, be admitted, and complete clinical study.

a. Students completing the clinical portion of the program at other schools or hospitals must complete a minimum of 76-96 semester hours before their clinical study.

b. While completing their clinical study at a program affiliated with ENMU, students should enroll in BIOL 480, Medical Technology Practicum.

Upon completion of study in the schools of medical technology or hospitals, the director of the school will certify student credits to the ENMU registrar thus enabling the student to enter candidacy for the degree of bachelor of science in medical technology at Eastern. Certification examination information will be given during the clinical training.
