Revisions:

Starting Fall 1996 deleted students who had received Associate degrees. Survey is only for Bachelor degrees.

Starting Fall 1997 the IPEDS definition is used (includes summer first-time, full-time freshmen in the cohort)

Starting Fall 1998 Final "6 year grad rate" and "5th year continued" calculated on revised cohort. All other categories are calculated on original cohort.

Starting Fall 2006 included full-time students with advanced hours.

Final cohort represents allowable exclusions (military, religious, death) and is only derived at the end of the six-year time frame.
