Veterans Upward Bound

Applicants who Wish on Applying Must Meet the Following Criteria:

- Meet the low-income eligibility established by the U.S. Department of Education (DOE).
- Meet first-generation college status, (parents have not completed a bachelor's degree).
- Must have served in the U.S. military for 181 days or more on active duty.
- Must have a DD 214 which indicates discharge **other than** dishonorable.

When to Apply?

As soon as possible!

The main goal of this program is to prepare veterans for beginning, or returning to, post-secondary education, GED preparation, and short-term remedial and refresher classes. The ideal time to apply for the program is at least one semester before you want to start your college or vocational-technical experience.

Veterans Upward Bound (VUB)

VUB assists veterans to develop academic and other requisite skills necessary for acceptance and success in a program of post-secondary education. The project provides assessment and enrichment of basic skills through instruction, advising, and tutoring. The primary goal of the program is to increase participant enrollment and completion in post-secondary education programs. All VUB services are free to eligible veterans.

VUB offers a unique range of services designed to prepare eligible veterans for success when they enter their chosen educational program, whether it is at a two-year community college, a four-year college or university, or a public or private vocational or technical school. All services, including GED instruction, textbooks, advising, and supplies are provided **free** of charge.

Services

Veterans will work one-on-one with a staff member to discuss their needs, interests, and short-term and long-term goals. Participants will complete an academic assessment to determine their strengths and weaknesses. Next, a plan will be developed to help veterans reach their goals. Academic weaknesses are addressed by attending **free** academic refresher courses and tutoring. VUB staff will assist with college admissions and financial aid. We help make contacts with other agencies providing services to veterans, as well as college programs and personnel. Upon completion of the VUB Program, we are a resource for ongoing educational success.

For further information about our services please call us at: **575.562.2131**.
