

Eastern New Mexico University Strategic Planning

(Current) 2003-2007 Goals

- Goal 1. Enhance ENMU's academic culture to advance student success.
- Goal 2. Attract an increasingly diverse student body and enhance students' successful progress toward their academic and personal goals.
- Goal 3. Build effective collaborations on campus and with community, business, and educational partners to further the goals of our institution, region, and state.

2008-2013

Accountability Measures

- 1. Assure access and success of all students, including students in under-represented groups.
- 2. Improve retention and graduation rates.
- 3. Extend the number of programs, courses, and degree of support for online students.
- 4. Create smooth transition for students from high school or other 2- of 4-year institutions to ENMU.
- 5. Increase external funding to advance academic and institutional initiatives.

Tentative Restatement of Goals

- 1. Enhance academic quality through excellent teaching and effective support services to ENMU students.
 - Learning Outcomes assessment
 - Support for new students, online students, distance education students
 - Technology to enhance learning and to support instruction
 - Quality campus life, activities, faculty-student interactions, mentoring, etc
- 2. Create a campus environment that encourages and promotes excellence for students, faculty, and staff.
 - Safe, well-maintained facilities and learning environments
 - Institutional effectiveness monitoring
 - Professional development for staff, faculty, and administrators
 - Management and leadership training, employee orientation
 - Attention to emergency and security procedures to protect students, campus personnel, and facilities
- 3. Build effective collaborations on campus and with community, business, and educational partners to further the goals of our institution, region, and state.
