FROM THE PRESIDENT

Dear Friends of ENMU:

It is once again time to plan for the 16th annual ENMU Alumni Association Golf Tournament. I hope that you will be a donor or sponsor of this great event that raises funds to help our students achieve their dreams. Since its inception, this signature event has raised \$621,000 for scholarships to dedicated and deserving ENMU students pursuing a college degree to create a better future for themselves and their families.

We live our slogan of “Student Success – that’s what we’re about,” every day. ENMU is committed to building a bright future for students. One important way that we fulfill our mission is through generous sponsorships and donations. I hope you will consider being a part of our success story by supporting the tournament.

I look forward to seeing you again to thank you and celebrate your support.

Dr. James Johnston
ENMU Chancellor

Students receiving scholarships from the ENMU Alumni Association appreciate the support from all the sponsors and golfers. Eighteen scholarships were awarded for the 2024-2025 academic year.

2024 SCHOLARSHIP RECIPIENTS

NATALIE BEGAYE

As a Native American, being able to get an education is valuable, and not many have the opportunity to do so. With this scholarship, I will be able to focus more on my musical studies and not have to worry about financial needs such as tuition or housing.

FREDRICK YORK

My grandmother attended ENMU's system many years ago but had to drop out to take care of my then-infant father. I am back here over 40 years later not only to receive my bachelor's and make a name for myself, but to succeed in honor of my grandparents, my ancestors, and those who have gotten me thus far. Thank you for your trust in me; I will do my absolute best to make your investment in my education worthwhile.

JENSEN SILVER JR.

The Alumni Scholarship is particularly special to me since both my parents graduated from ENMU. From a young age, they told me what a wonderful university ENMU is. They met at Eastern 25 years ago and just celebrated their 21st wedding anniversary. Being able to attend here and play football for the Greyhounds is a dream come true for me.

LACY LESLY

As I continue my educational journey at Eastern New Mexico University, I am very grateful for receiving your gift. Because of your scholarship, I will eventually reach children throughout the state of New Mexico and give them the best opportunity for an education. As you have previously read, I plan to make an impact and believe this scholarship will help me reach my goal.

JOIN US TO HELP PROVIDE A FUTURE FOR ENMU STUDENTS

Proceeds from the Alumni Scholarship Tournament provide financial aid to ENMU students who are the children or grandchildren of ENMU alumni who meet academic requirements, financial need, and other determining factors. To date, the tournament has raised more than \$621,000, with all funds directed toward student scholarships. The tournament is open to all golfers of any golfing ability.
