

## Professional Licensure Disclosures-Health and Human Services Degrees

The information below is intended to help prospective and current students determine whether the following programs lead to professional licensure in each state. Even if a program does not lead to licensure in your state, it may still be possible to obtain licensure via reciprocity with New Mexico. Licensure information is collected and updated annually by each program's department chair or director. Please contact the appropriate person below if you have any questions about professional licensure.

- **Communicative Disorders:** Dr. Suzanne Swift, (575) 562-2724, [Suzanne.Swift@enmu.edu](mailto:Suzanne.Swift@enmu.edu)
- **Associate of Science in Speech Language Pathology Assisting,** Mrs. Nicole Whitehouse, SLPA Coordinator, [Nicole.Whitehouse@enmu.edu](mailto:Nicole.Whitehouse@enmu.edu) 575-562-2867

### Master of Science in Communicative Disorders

The M.S. in Communicative Disorders program leads to professional licensure in Speech-Language Pathology or an equivalent license in any of the 50 states or the District of Columbia, either directly or through reciprocity with New Mexico. Individual state listing appears at the bottom of this document.

### The Associate of Science in Speech Language Pathology Assisting

The Associate of Science in Speech Language Pathology Assisting leads to professional licensure as an SLPA in many states; however, students should be advised that not all states offer the SLPA license, and some states require a bachelor's degree in CDIS or specific CDIS coursework to meet licensure requirements. Through the advising process, each student's degree plan is individualized to meet licensing requirements applicable to their state of residence. To learn more, please contact Lacy Plummer, SLPA Coordinator 575.562.2231 [Lacy.Plummer@enmu.edu](mailto:Lacy.Plummer@enmu.edu)

The SLPA program matrix by state appears at the bottom of this document.
