

## Areas of Interest College of Education and Technology

We will have two breakout sessions for our College of Education and Technology to provide more detailed information regarding your area of interest.

### **Non-Teaching**

- Agriculture
- Agricultural Sciences
- Animal and Dairy Science
- Production and Management
- Pre-Veterinary
- Athletic Training
- Coaching
- Culinary Arts
- Health and Wellness
- Sports and Recreation Management
- University Studies

### **Teaching**

- Agricultural Education
- Bilingual Education
- Career and Technical Education
- Early Care and Education
- Early Childhood Education
- Elementary Education/Special Education
- Physical Education (Kinesiology)
- Secondary Education

### **Teacher Education Program**

Our Teacher Education Program advises and supports students who are interested in becoming educators. We provide you with the necessary professional education requirements to become licensed as a teacher in New Mexico. While our education program will prepare you for a licensure in New Mexico, there are opportunities to obtain your education licensure in other states.

#### **Early Childhood Education**

Choose this area of interest if you want to work with children from birth through grade 3. Opportunities exist in Early Head Start, Head Start, preschool programs and in public schools.

#### **Elementary/Special Education**

##### **Blended – Elementary and Special Education**

Choose this area of interest if you want to teach students in kindergarten through grade 8 or if you have an interest in working with special needs students in pre-kindergarten through grade 12.

#### **Secondary Education**

##### **Junior High and High School**

Choose this area of interest if you want to teach grades 7 through 12. With secondary education, you pursue a degree in a content area and work on your teacher education licensure at the same time.
