Acknowledgement of Meal Plan Terms

- Meal plans and Flex Dollars are non-transferable. Meal plans expire on the last day of finals week every semester. Only the person pictured on the ENMU ID card (the cardholder) will be allowed to use it for services or to spend money from the accounts associated with the cardholder. The cardholder may be required to sign a receipt for goods received. Providing the identification card to other individuals to access goods and services is prohibited. Residence students will automatically be enrolled for the same meal plan selected for the fall semester unless a new meal plan is selected prior to the first day of class in the spring semester.
- Students providing their ENMU ID card, or in possession of another student's ENMU ID card, assume shared responsibility for goods and services accessed fraudulently through the misuse of that card. Students involved in the misuse to transfer of cards may face University disciplinary action as well as civil or criminal charges.
- Meal account balances do not carry forward and are good for one semester only. Refunds will be prorated on a weekly basis. If check out occurs in the middle of the week, charges will be assessed through the end of the week. Flex Dollar balances will carry over from the fall to spring semester. All remaining Flex Dollar balances will expire at the end of the spring semester. Flex Dollars are non-refundable.

I agree to the terms above.
